MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report
30 October - 3 November 1972

GENERAL

1. C/OS has conferred with [] narcotics officer at [] on the subject matter to be covered in the internal orientation course which we hope to be able to kick off by January. Conversations with BNDD officers have been helpful in revealing problems in overseas operation of which our officers should be aware. [] is working himself into the narcotics picture and will handle both the internal and external training henceforth.

STAFF TRAINING BRANCH

2. During the previous week [] attended a CS Records Officer conference [] for two days.

3. As part of his preparation for his instructor duties Dick [] received a couple of days briefing from CA Staff personnel.

4. The two-day Agency portion of the Interagency Narcotics Training Program took place on 1 - 2 November, with Staff Training and European Division officers participating. On the basis of initial student response, comments by the Program Coordinator, [] and our own assessment this second running was well received and an improvement over our first effort. A separate report will be forwarded on this subject.

AGENT AND LIAISON TRAINING BRANCH

5. During the period of this report eight programs involving 38 trainees were conducted, [] and three on TDY. One program was started and finished, two other new ones begun, two completed and three continued.
